

Coevo Energy
Energy from the Ground Up

Noria Pro

Commercial Hydropower

- 18 kW Capacity
- Up to 94,608 kWh Annual Generation
- Peak Demand Generation
- 24 Hour Duty Cycle = Max Capacity
- 1 inch Input Pipe Size
- 45X the Power Density of Solar
- Industry Leading Cost-Efficiency
- Rapid Installation
- Rapid ROI

Noria Powerwall

- 6 kW Inverter Units
- 5.12 kWh Lithium Iron Phosphate Battery Units
- Compatible with All Solar Components
- Installable in Parallel
- 81.9 kWh Max Storage Capacity
